Poster and Presentation Evening

Apologies: None Received

This was the annual Poster and Presentation meeting, giving the opportunity for Trainees to present work and cases they have been involved with. Everybody was welcomed to this meeting of the Derby Medical Society by the president Dr Sally Archer.

At the start of the meeting, Dr Sally Archer announced the winner for highest academic achievement in preclinical studies from the Graduate Entry Medical students and presented the award to Jack Ford.

Dr Archer commended the quality of entries for this years event. From these, 7 posters were selected for display and 6 for oral presentations. The posters were displayed from 6pm-7pm giving members of the Society and the judges the opportunity to view and discuss with the authors their work.

The oral presentations were given as 6 minute talks followed by a question and answer session with the audience. They were marked by three judges in the audience.

At the end of the meeting the Dr Archer announced the winners and runners up for the 2 categories.
